October 2022

Dear Friends,

As we celebrate the 35th Anniversary of the Newport Winter Festival, we invite you to join us for “New England’s Largest Winter Extravaganza” featuring 10 exciting days of food, festivities, music and fun! This year’s festival and will take place over school vacation week, February 17-26, 2023 and we would like to include you as a participant.

Held during an opportune time of year when business tends to slow down, the Festival has an extensive and widespread economic impact on the entire community. In past years the Newport Winter Festival attracted over 30,000 visitors and helped raise funds for various charities and non-profit organizations. In addition, the Festival has received numerous awards and accolades including the Governor’s Tourism award and was chose by the American Bus Association as one of the Top 100 Events in North America, as well as #2 in AAA’s “Five must dos” activities this past winter!

To officially register your event, please fill out the enclosed Participation Form and return it by mail or email to the Festival office no later than December 20, 2022. We ask every participating business to provide a “Winter Festival Bracelet” discount to your activity or event. If you participated in 2020, please check out www.newportwinterfestival.com to review your offer from the last festival if needed. The general format most events follow is: 1) “free” with a bracelet or 2) “discount fee” with a bracelet. All participants will be promoted on the festival website so send in your form today for additional exposure!

Help the Newport Winter Festival melt away the winter blues and produce a great family festival for the local community and visiting families with your participation. We truly appreciate your support and ask that you participate in making the 35th Anniversary of the Newport Winter Festival a grand success. Keep in mind, we are always looking for more mid-week events since the Festival is held during school vacation. Please do not hesitate to contact us via email, brittanynewportevents@gmail.com or davidnewportevents@gmail.com with any questions. Don’t miss this sensational opportunity to generate business during the winter season!

Sincerely,

David Rosenberg
